## STATE OF MICHIGAN PROBATE COURT COUNTY

## PETITION FOR SECOND OR CONTINUING TREATMENT ORDER

**CIRCUIT COURT - FAMILY DIVISION** In the matter of Name (type or print) The authorized representative of the agency or mental health professional supervising the individual's alternative treatment program. of Director or authorized representative of director Name of hospital 2. The individual is currently residing/hospitalized at Address initial 3. The second order entered by this court for the individual expires on Date continuing 4. The individual continues to be a person requiring treatment and is in need of  $\bigsqcup$  hospitalization for not more than 90 days. continuing hospitalization for a period of one year. combined hospitalization and alternative treatment for not more than one year. alternative treatment for not more than one year. 5. The individual is likely to refuse treatment on a voluntary basis when the order expires. INSTRUCTIONS: In answering items 5 and 6, include a description of the observed or reported behavior of the individual, including, but not limited to, how behavior and conditions have changed since the last order and whether any stabilization or remission is contingent on continued medication or other treatment; avoid medical terms and conclusions other than diagnosis. 6. The basis for this allegation is that I believe the individual has a mental illness and as a result (check as many as are applicable) arr can reasonably be expected in the near future to intentionally or unintentionally seriously physically injure another person. arr can reasonably be expected in the near future to intentionally or unintentionally seriously physically injure self.  $\Box$  is unable to attend to basic physical needs such as food, clothing or shelter that must be attended to in order to avoid serious harm. oxdot is unable to understand the need for treatment because of impaired judgment, and continued behavior can reasonably be expected, on the basis of competent clinical opinion, to result in significant physical harm to self or others. 7. This conclusion is based upon a. my personal observation of the person doing the following acts and saving the following things: SEE SECOND PAGE
